

Back to School

We had a busy summer celebrating our 10th Anniversary while spreading braces across crooked grins before patients headed back to school.

It's a good time to catch up with our practice families and share some items of interest with you. As always, thank you so much for your kind referrals of other families to our practice.

Team News

Dawn

I had a very busy summer this year. I have been planning my fall wedding in November 2010. It has been quite the journey wedding shopping and picking out the dress and the place to get married. Everything is finally coming together and I just can't wait for the day to come. I have had a great summer and I hope that you enjoyed yours as well.

Jeanne

The weather this summer has been perfect for camping. Our family camped in Rhode Island where we explored lighthouses, Salisbury Beach Reservation with walks along the beach, and landed in Rochester, NH for our seasonal camping. We enjoyed boat rides, fireworks, swimming, campfires, bonfires, bingo, bouncy houses for my granddaughter and all the activities the campground has to offer. We also enjoyed being with all of our friends and family who joined us this year. It was a great summer! We can't wait for next year!

Lisa

This summer has been particularly beautiful and warm, and I have visited my father and gone sailing on his refurbished sailboat. That was a great day! My husband and I went on vacation to the Finger Lakes region of NY. There, we spent time with family and great friends, and travelled along Keuka Lake tasting wines from several wineries. There was a wine tasting with the local wines paired with local artisan, gourmet chocolates. It was outstanding! I hope everyone had a great summer!

Megan

I spent most of the summer either at the beach or soaking up the sun on my deck. I had the opportunity to check out an air show at Pease Air Force Base. It's amazing what those Blue Angels can do. I even saw a few of our patients there! I'm sad to see the summer season end but autumn is my favorite. The Topsfield Fair is a must, as is a trip to spooky Salem.

Dr. Pavlo and his family were busy enjoying the beautiful weather outdoors on the weekends with family and friends at Lake Winnepesaukee, NH. Both Dr. and Mrs. Pavlo worked with their sons Thanos and Yianno on their swimming skills. Dr. Pavlo found time in the early morning hours to train and compete in a natural bodybuilding show, placing first overall and earning the title of Mr. New England Natural 2010 in May. Dr. Pavlo then turned his training to compete in the Timberman Sprint Ironman Triathlon, finishing in 1 hour and 19 minutes, which was his personal best for such an event. Dr. Pavlo is looking forward to some fall hiking with his family as they prepare for ski season!

Keep Smiling! Dr. Pavlo and Team
